

Student's Name/ID#: _____ Grade: _____ Rater's Name: _____ Date: _____

Directions

Please answer the questions on this form based on this *student's typical behavior in physical education class during the past month*. Circle the *one* answer that best describes how often the behavior happens. Use the following rating scale:

Never: the behavior *never* or *almost never* happens

Occasionally: the behavior happens *some of the time*

Frequently: the behavior happens *much of the time*

Always: the behavior *always* or *almost always* happens

Write any additional comments on this student's behavior or functioning on the back of this sheet.

This student...

1. Resolves peer conflicts without teacher intervention.	Never 4	Occasionally 3	Frequently 2	Always 1	_____
2. Handles frustration without outbursts or aggressive behavior.	Never 4	Occasionally 3	Frequently 2	Always 1	_____
3. Has friends and chooses to be with them when possible.	Never 4	Occasionally 3	Frequently 2	Always 1	_____
4. Does not keep up with peers in physical activities.	Never 1	Occasionally 2	Frequently 3	Always 4	_____
